Allrent AV & ICT Solutions

Allrent IT & AV Solutions is a leading supplier of IT and AV equipment for events, congresses and trade-shows. Although our primary market is the European market, we supply material as well as in some cases full event support as far afield as Nairobi, Dubai, Johannesburg and Montreal. With warehouses and offices in The Netherlands, Belgium, Paris and several German cities we are able to supply most large event venues in Europe. Besides a diverse and dynamic team we also have our own in-house logistics and planning department enabling us to offer competitive all-in prices across our entire range of products.

Allrent IT & AV Solutions have supplied the IBC organization for over 25 years and are proud to be an IBC Verified Supplier for the 5th consecutive year.

30 years of hand-on experience, our up-to-date range of modern IT and AV equipment and our dynamic work method are the driving force behind our company.

Products/Services: AV & ICT Solutions/Rentals

We offer a turn-key solution be it a single LED screen on a floor stand up to large LED walls. We will assist exhibitors where possible to ensure that they receive the correct equipment to showcase their product or services on their stand as well as technical support during the duration of the show.

DESIGN Original.

Design Original

At Design Original we specialise in creating bespoke exhibition stands that enhance your brand and engage with your visitors. We take the time to understand your objectives, products and services, enabling us to create an impactful, intelligent design focussed on your requirements and providing an engaging visitor experience.

Our team of experts are on hand throughout the process to provide advice on everything - from customer engagement and visitor flow, to build regulations, hospitality and demo specifics. We offer a turnkey solution from initial design concepts to post-show review. Project management and direct support is available throughout the project timeline, and contact will be with the same dedicated team, ensuring a seamless operation, no deadline is missed, and there are no unexpected issues.

Using high-quality materials, sustainable practices, and paying close attention to detail, we deliver tailored solutions to suit any brief or budget and can manage every aspect of your project (or as much, or as little, as you would like us to). With over 20 years of experience, we make the process stress-free, ensure it stays on budget, is delivered on time and contributes to a successful event.

Lasso Event & Expo Solutions

A reliable partner, A close-knit team, over 20 years of experience, 100% dedication, and a 1000m2 workshop: that's Lasso event & expo solutions. We design and build projects that leave a lasting impression—projects that stay with you and continue to resonate in your mind. Exhibition stands that stand out from the rest and events that spark curiosity, adding an extra layer of depth to the client's story.

We build our stands entirely according to your wishes and budget, from simple and effective to extravagant. At Lasso, we go beyond just designing and building. We listen closely and collaborate on all possible solutions, such as a multi-year plan. If you encounter an issue or a problem, we'll be there as quickly as possible to solve it. We stick to your schedule and deliver on the agreed time. You can rely on Lasso as your trusted partner in stand and event construction.

There is still much progress to be made regarding sustainability in our industry, and Lasso is eager to set a good example. We work with recycled materials, minimize waste wherever possible, and are increasingly developing modular constructions that can be reused—either in their entirety or in parts. This way, you as the customer can reuse the same materials for multiple events—better for the environment and your budget!

MAXIM

CREATIVE LIVE ENVIRONMENTS

Maxim Communications Ltd

Maxim Communications Ltd is proud to be an IBC2026 Verified Supplier, trusted for our long-standing expertise at the RAI and our commitment to exceptional design and delivery. With more than 30 years' experience worldwide, we delivered 14 stands at IBC2025, ranging from boutique 3m x 3m spaces to 150m² statement builds. Our portfolio also includes an IBC2024 stand award, recognising the quality and creativity of our work.

We are fully aligned with the Better Stands initiative, ensuring every design meets IBC's sustainability, safety and quality expectations. Our team works closely with clients to deliver compliant, future-focused stand solutions without compromising on impact or brand presence.

Every client receives the same level of strategic guidance, creative direction and operational precision. We begin with a free consultation, then develop a tailored design and full build proposal aligned to your objectives.

For 2026, we also offer a curated 12–18m² off-the-shelf stand solution, created to elevate smaller spaces with a premium look and feel. Availability is limited.

For bespoke, large-scale or technically complex builds, we have full scope for IBC2026 and look forward to collaborating on your vision.
